		ACTION
PR1/2010	The Meeting was not quorate but it was decided to proceed in an advisory capacity.	
PR2/2010	A further copy of the PROW survey results previously sent to Colin Bayes on 12 th May 2010 would be forwarded, at her request, to Ms T. Winchester at Cornwall Council (CC), so she could ensure any necessary action was taken.	C Trevan
PR3/2010	The 1: 2500 definitive plans for PROW 1-40 & 43 were marked with the appropriate category and any additional observations on number of cuts and condition, for forwarding to CC for incorporation in the 2011/12 cutting and maintenance regime. A copy of these plans would be made for Parish Council records prior to sending the originals to CC. CC would be reminded that it had agreed to supply the remainder of the 1: 2500 PROW maps for the Parish.	Clerk Clerk
PR4/2010	It was agreed to do a condition walk of PROW 41, 42 and 44 before the next meeting of this Committee.	L Hudson
PR5/2010	L Jenkin reported that despite a recent assurance by T Fletcher (CC), the LMP Grant offer for 2010/11 had not been amended, as promised, to repeat the same level as the previous year's award pending the current review by the Parish Council. The corrected figures for 2010/11 should read CC £4,676.84 (90% grant) and Crowan PC £519.65 (10%). It was agreed that a letter should now be sent to CC requesting a revised offer to confirm the promised grant.	Clerk
PR6/2010	There being no further business the Meeting closed at 9.30pm.
