| | <p>Mr Trevan queried where a policy for the protection of agricultural land would be included and it was agreed that this would be covered in the Land & Housing Theme through the policy for permitting use of land outside the settlement boundaries, which would exclude types 1,2 & 3 agricultural land..</p> <p>When reviewing the content of the “Services, Amenities & Transport” themes, based upon the CC NP Pro Forma, the types of relevant policies appropriate for Crowan were not immediately obvious. Accordingly, the Chairman agreed to discuss this with the NP Advisors at CC and also provide copies of the local draft & final Neighbourhood Plans, so that Cllrs McLeod & Hodson can decide on their recommended content.</p> <p>Mr Trevan suggested that copies of Gwithian & Gwinear, Hayle, & St Erth Draft NP’s should be circulated for appraisal to help guide details of the policies relevant to Crowan, as these are our neighbours and we should be able to benefit from their work.</p> <p>Mr Trevan also recommended that SG Members should consult the official Government website:- https://www.gov.uk/guidance/neighbourhood-planning--2.</p> <p>In order that a schedule of work is produced, the Chairman considered that based upon current knowledge then the SG should target for an agreed draft summary in November 2017, so all Theme drafts will need to be ready in September to allow for discussion, editing, & agreement plus formatting and addition of diagrams and photos .</p> | <p>Cllr Parnell</p> <p>Cllr Parnell</p> <p>ALL</p> <p>ALL</p> <p>Cllr Parnell</p> |
