Praze-an-Beeble	Plan	Sat 25 August	9.30 - Noon
Praze-an-Beeble	Institute	Fri 31 August	5.00 – 7.00 pm

The *Neighbourhood Plan* is to ensure that future building developments up to 2030 meet the specific policies developed for the **Parish of Crowan**, whilst also fitting with the objectives of the **Cornwall Council Local Plan**, as agreed with Parliament.

These policies have been developed by the Steering Group based on the information obtained from the 2015 Parish Survey together with feedback from parish residents and covers facilities, amenities, services, employment, tourism, heritage, environment and renewable energy as well as future building developments.

A printed copy of the draft *Neighbourhood Plan* is available at the **St Aubyn Arms** and the **Duke of Leeds** to read and a copy is available to download from the **Crowan Parish Council website** in the **Planning Section**:-
