

CROWAN PARISH NEIGHBOURHOOD PLAN

Pre-Submission Local Consultation Now Complete

As previously advised the Draft Neighbourhood Development Plan for Crowan Parish has been on the Parish Council website, and it has been discussed with residents throughout the parish during July and August at various events and drop-in sessions at village halls.

The comments and feedback to the proposed document is being reviewed by the NDP-Steering Group and the revised version will then be forwarded for examination by the Local Planning Authority together with a Consultation Statement document.

Accordingly the NDP-Steering Group would like to thank everyone who has taken time to discuss the NDP providing us with their views and specific comments.

We now hope to get this project completed with a referendum in late 2018 or early 2019.
