AC03/2019	<p><u>PROW Issues</u> – the Clerk to seek an update on the following issues:</p> <p>a. <i>PROW/207/75/3, 4 and 2, Bold Gate to Best Gate Lodge</i> – the byway needs enforcement action, including removal of gates at numerous locations. Members pointed out this is a byway and feel it should have priority over other paths and the path forms part of one of the circular walks the PC is promoting. The surface is also an issue as it has been ploughed up and there is also a lack of signage around Clowance.</p> <p>At the October meeting Cllr. Henwood advised that Highways had been in contact. The Clerk had requested CC for an update and Ms Debra Marriott, Cormac advised the case had been passed to CC Enforcement Officer who had a further inspection planned in December.</p> <p>b. <i>PROW/207/76/1</i> – the Clerk had requested Countryside Services make a site visit because it is believed the path is going through buildings. Members confirmed this is the link through Clowance Barton. Mr Gordon said that Enforcement are looking into the problem.</p> <p>c. <i>PROW 207/117/1, Crowan to Reservoir</i> – Planning Enforcement EN17/02432 relates. Mr Gordon had met with the landowner last week to look at the current line as opposed to the Definitive Line. The landowner had agreed that the Definitive line is obstructed through his garden and he had put him in touch with CC Countryside Access Team to apply for a Diversion Order to re-route it onto the presently walked line.</p> <p>Members had pointed out Enforcement had said that this is not a garden. The Clerk had sought clarification and Ms Debra Marriott, Cormac advised the CC Access Team will deal with any diversion application and the PC should be consulted/made aware as part of the process and notices would be put up on site etc.</p> <p>d. <i>PROW 207/111</i> – at the request of Cllr. Roberts this blocked footpath had been reported to CC.</p>	Clerk

AC10/2019	<p><u>Highways Matters</u> –</p> <p>a. <i>Various Traffic Issues</i> – Minute EX15a/2018 refers. The Clerk to request an update.</p> <ul style="list-style-type: none"> • <u>Road from Crenver Corner to Horsedowns Chapel</u> – the property at the bottom of the hill is plastered in mud from mud thrown up from the road where Riviera are pulling out of the fields. Mr Bayley had asked the Steward to check this section of road as a potential ploughing location to cut the verge back to clear the drainage. • <u>Nancegollan</u> – Members pointed out that when the 30mph signs coming out of the village towards Praze were moved, the illumination for the signs was not moved with them. This means the signs are not illuminated and the chevrons are now the wrong side of the signs. Highways advised that changes with the 2016 Traffic Signs Regulations and General Directions means that only terminal speed limit signs on trunk and principal roads have to be illuminated so there is no longer a requirement at Nancegollan. He is checking with the design team that designed the changes whether the old posts should have been removed and whether the relocation of the “dragons teeth” markings had been required. 	Clerk

AC12/2019	<u>Closed Session</u> – in view of the special/confidential nature of the business about to be transacted, it was RESOLVED that it is advisable in the public interest that the press and public be excluded and they were instructed to withdraw.
