

Townshend Newsletter

April 2021

Happy Easter to Everyone

The Re-opening of the Village Hall

It has been a hard year for everyone and hopefully after June we should be able to open up the Village Hall. The Government guidance has been followed very closely and we will continue to make sure that all safety checks and Covid security advice are carried out. We are so looking forward to a return to a more 'normal' life and meeting our friends.

Celebrating Townshend

Lets make our village hall look gorgeous!

We would like to make some bunting with which to decorate the hall and would love as many people as possible to join in.

It would be great if all the households in Townshend could take part as well as everyone who has connections to the village and who receives this newsletter.

The more the better!

Any donations of bits of fabric that could be used would be great or you could perhaps make some pieces of bunting. Anyone willing to cut, sew, decorate or make a section of bunting please get in touch.

Berriman's Farm Shop

In addition to the amazing range of food and fresh produce already sold at the Farm Shop, Berriman's will now be stocking Plants, Fresh Flowers and shortly, Compost.

Just in case you were not aware, in addition they also sell stamps, kiln dried wood, kindling and coal.

Easter Eggs are also on the menu.

And on the subject of re-opening the Hall.....

...lets try and get some new activities and events going on in the village. Our Hall is the only place where we can get together and won't it be great to meet up again? Anyone with ideas for events or who could come and help with activities and/or the running of the Hall, please do get in contact. We very much need new people and new ideas.

sarah@davidchapman.org.uk

Thank you

Unfortunately the TVHA will have to advertise for a new Cleaner for the Hall to replace Marlene Hudson who has decided to step away from the post due to circumstances at home. She has always done a 'Proper Job' for the Hall and the TVHA sends its warm thanks and gratitude for all her hard work and dedication.

So, when the Hall re-opens it will need a New Cleaner to help maintain the high standard of our lovely Hall. Hours are flexible and the rate of pay is the national minimum wage plus 5%.

If anyone is interested or would like to know more, please contact Sarah on either 01736 850287 or Mob. 07842201950 or email sarah@davidchapman.org.uk

Traffic Please continue to let our local councillor, Loveday Jenkin, know of any traffic problems. Loveday needs information and evidence of any problems if she is to help. Loveday.jenkin@cornwallcouncillors.org.uk

Spring is Sprung!

Look out for birds nesting in your nest-boxes and visiting your bird-tables again. Now is the time to be sowing seeds, weeding and preparing for summer which hopefully is just around the corner. Look out for tadpoles if you have a pond.

Check out the mower!

Keep in touch with what is going on in the village, try the Hall's Facebook page [HTTPS://engb.facebook.com/Townshendvillagehall/](https://engb.facebook.com/Townshendvillagehall/) or www.townshendvillagehall.org.uk
