Notes

The annual Parish Meeting is an opportunity for parishioners to talk to and hear from the Parish Council about its activities in 2020 and to raise issues that are of concern to them.

The meeting is hosted by the council and called by the Council Chairman, but it is not a council meeting. Councillors look forward to hearing from residents and may base future council actions and policies on what they are told, but they do not have to do so.

Regrettably, Covid restrictions on the hall mean that attendance is restricted to 24 people including the councillors.
